Thanks so very much Natalie. Below are directions/instructions. Thanks again.

**Directions/instructions:**

The address is the U.S. Department of the Treasury, 1500 Pennsylvania Avenue, NW, Rm 3312 (Craig Phillips's office), Washington, DC 20220.

Upon arrival, please allow at least 10 minutes to clear security before your meeting time. You will go to the North Entrance of the Main Treasury building. (If you are travelling by cab, tell the cab driver you want to be dropped off at the corner of 15th and New York Avenue, NW) ...the U.S. Department of the Treasury is across the street. This part of Pennsylvania Avenue is closed to traffic. When you get out of the cab, cross the street and go to the gate with the wrought iron fence in front of the Main Treasury building. At the bottom of the steps there is a guard station, please stop there to show your photo ID and confirm that you are on the list of visitors. Once confirmed, you will proceed up the steps to the building (you're now on the 2nd floor). Show your photo ID to the officer behind the glass window and he or she will issue you a visitor's badge. Then you will empty your pockets and place the items along with electronics in the container and place it on the conveyor belt. Once this is done, place the visitor's badge over the keypad (on your right) and the turnstile will open, please walk through the metal detector, retrieve your items at the end of the conveyor belt, go up one flight of stairs and report to Rm 3312 on the 3rd floor.

Thank you, Craig.

Wednesday between 12-2 and after 430 pm works.

Thursday early morning 8-930 am or after 4 pm works.

Do any of those times work for your schedule?

Natalie

Craig,

The question is whether you need an "official" request from the Government -and maybe the Oversight Board.

We heard suggestions of this on the Hill, and don't want to be lax if it is needed. Just say the word.

We are working in concert across the administration (OMB, NEC and Treasury).

There will be one voice to the Hill. No need for a separate call

Craig-

We would like to request an urgent call to discuss the status of the proposed Credit Facility. We are concerned that Congressional leaders represent to us separately that have yet hear from Treasury on our liquidity issues. Their plan is to drop a Bill in the House later this afternoon. Both representatives of the PR Government and Fiscal Control Board will participate.

Thank you

Manny
